REMARKS

In an Advisory Action provided by the Examiner in response to the Final Office Action Reply (filed 30 July 2004), the Examiner noted that the reply failed to place the application in condition for allowance because Claim 10 depended from the canceled Claim 6. Claim 10 has now been amended to depend from Claim 12.

In view of the amendment presented above, the Applicant respectfully submits that all of the claims are now in allowable form.

Conclusion

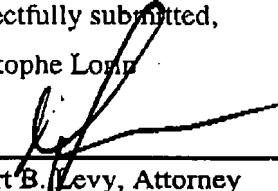

The Applicant believes that all claims are presently in condition for allowance. Accordingly, both reconsideration of this application and its timely issuance are earnestly solicited.

If however, the Examiner believes that there are any unresolved issues requiring adverse final action in any of the claims now pending in the application, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion, it is respectfully requested that the Examiner telephone the undersigned.

No fee is believed due at this time. However, if a fee is due, please charge the additional fee to Deposit Account No. 07-0832.

Respectfully submitted,
Christophe Lomp
